

Your elearning Solutions Partner

Simple. Flexible. Convenient.

Who We Are

All your elearning needs in one place

We are an end to end e-learning solutions company providing off-the-shelf courses, custom content development, learning management systems (LMS) and consultancy on digital learning strategy. We also provide Human Resource Software and specialized onsite trainings.

Only the very best for you

We leverage our experience and global partnership network spanning the USA, United Kingdom, Asia and South Africa to provide a world class elearning experience. Our Learning Solutions are award winning and highly adopted on a global level as well as market leaders in the region.

Vision

To be Africa's leading elearning solutions provider.

Mission

To deliver a world class learning experience that combines the strengths of the traditional classroom with the latest technology to make learning simple, flexible and convenient for today's learner.

Our Ethos

What do we believe in?

We're glad you asked!

- **Quality** – We believe in doing the right thing every time even when no one is watching.
- **Innovation** – We constantly pursue new creative ideas to improve our products.
- **Accountability** – We encourage staff to always give their best and to be responsible for their actions.
- **Integrity** – We strive to be fair and ethical to our clients, partners and to ourselves.
